ABOUT STANDING TOGETHER AGAINST DOMESTIC VIOLENCE

Standing Together Against Domestic Violence (STADV) is a UK charity bringing communities together to end domestic abuse.

We support organisations, including the police, criminal justice partners, social services, healthcare workers and charities, to identify and respond effectively together to domestic abuse. Our ultimate aim is to help these agencies to work in partnership, so that people receive the best support at the time they need it. We do this through an approach that we pioneered, called the Coordinated Community Response. The Coordinated Community Response brings services together to ensure local systems truly keep survivors safe, hold abusers to account, and prevent domestic abuse.

Our model of a coordinated local partnership to tackle and ultimately prevent domestic violence is now widely accepted as best practice.

We pioneered the first multi-agency group to implement safety measures for victims of domestic abuse in Hammersmith and Fulham in 1999. MARACs have since been recommended by successive Governments and are now prioritised in every local authority area. Today we coordinate the MARACs in five London boroughs: Hammersmith & Fulham, Westminster, Kensington & Chelsea, Ealing and Haringey.

Principal Duties and Responsibilities

All the following duties to be carried out in line with:

- The Standing Together Equal Opportunities Policy
- The Standing Together Confidentiality Agreement
- The Standing Together Information Sharing Protocol

And in a way which respects at all times:

- The independence of each individual agency participating in the project, whether from the statutory or the voluntary sector, and their status as equal partners in the project.
- The key principles, which guide and inform the project (survivors' and children's safety; offender accountability; giving a clear message that domestic violence is a crime which will not be tolerated in our community).

Specific Duties:

4. To follow up incomplete actions with the responsible person from each agency.
5. To maintain confidential filing systems for the MARAC.
